SCULL CREEK TRAIL

Leadership Walton adopted Scull Creek trail in Fayetteville in 2010. Since then, we have picked up litter along the four mile trail four times. Our most recent cleanup was on March 4. Five representatives from Henkel Consumer Goods assisted with the cleanup, along with seven Leadership Walton students and Walton College Career Center staff members.

FAYETTEVILLE SENIOR CENTER SUPPLY DRIVE

In September 2010, the students of Leadership Walton, along with the Career Center and the Graduate School of Business, collected supplies for the Fayetteville Senior Center, raising more than $1,000 in cash donations and collecting many essential supplies. Donations will help offset operational costs and allow the center to provide Meals on Wheels to more home bound seniors in our area.

LEADERSHIP WALTON GARDEN BOX

Last summer, Leadership Walton adopted a garden box outside the Walton College. Leadership Walton volunteers, along with Walton College Career Center staff members, revived the area with flowers, bushes and mulch. Leadership Walton will continue to maintain the area.

In addition to group projects led by the Walton College Career Center, Leadership Walton members complete community service projects on their own. Students have completed over 950 volunteer projects for organizations, including: Big Brothers, Big Sisters; Bikes, Blues & Barbeque; Chili Pepper Run; Circle K International; Community Blood Center; Fayetteville Animal Shelter; Fayetteville Public Library; Girl Scouts of America; Juvenile Diabetes Walk; Lifestyles; Lift Up America; Race for the Cure; ROCK Camp; and Spring International Language Center.
Leadership Walton Graduates

The Walton College Career Center is proud to recognize this year’s graduates who have completed the required components of the Leadership Walton program. Only 200 students are selected to join the program each year; and since the program began in 2007, only 53 other students have received these honors. The 57 May 2011 graduates were recognized at a ceremony on May 13. Each received a certificate of completion and gold cord to wear at commencement.
