Frequently Asked Questions

The Sam M. Walton College of Business at the University of Arkansas is pleased to announce the acceptance of applications for the 2010 Office of Diversity Programs (ODP) Summer Programs. The College will host one session of each summer program. Program dates are listed below:

Technology Awareness Program (TAP) Program Dates: July 11-15, 2010

What is TAP? TAP is one-week residency programs designed to introduce students of color to the field of accounting, finance and computer information systems. The programs are designed to demonstrate how business and technology are utilized to assist business organizations in their decision making process to operate more effectively. Students will have an opportunity to participate in the preparation and presentation of a challenging team project. Additionally, the students will have opportunities to interact with minority professionals from business and government, as well as visit and observe them in their work environment.

Who will teach the classes? University faculty members from the Sam M. Walton College of Business will teach each of the classes: accounting, multimedia, ACCESS/Excel and communications.

What other activities will students be involved? Students, who attend the career awareness programs will attend classes, develop an executive presentation; visit a local company’s accounting/information technology division and shadow the professionals, interact with college students from the Walton College, visit the HPER Complex for organized activities, and hear presentations from various professionals on campus (admissions, scholarship office, Walton College Advisement Team).

Who may apply? Each program is open to high school students of color (i.e., Native American, African American, Asian American, and Hispanic/Latino(a) who will be starting their junior or senior year in the fall of 2010. Twenty-five students will be selected to participate in the ACAP and TAP programs.

What is the cost? Students selected to participate in the summer programs will receive full scholarships to the program, which covers the cost of tuition, room and board, meals, books, supplies and transportation. Students selected to participate in the programs will be provided with a round trip travel ticket to attend the program.

What are the requirements to apply? Students must have a minimum of 3.0 GPA, complete an application, submit a letter of recommendation, and show involvement is school, community and/or church activities. ACT/SAT test results are not required to participate in the program. Students applying to the summer programs are not required to have taken a business course in high school. However, a student must have an interest in majoring in the business administration field.

What is the deadline? The application must be postmarked by is May 10 2010. Students will be notified of their acceptance about two-three weeks after the deadline.

Where will students reside? Students are required to live in the residence hall in order to become familiar with living on a college campus.

Who will supervise the students? Students will be supervised by trained college students.

Is there an application fee? Yes. The application fee is $40.00 per program. The application fee is due when the student is notified of acceptance to either one or all summer programs. A reduced fee is available for students who cannot pay the full enrollment fee. Financial need must be verified by a teacher or counselor. This does not affect a student’s eligibility.
